

it urged that the Government be asked to
*delay declare without that the area surrounding
the Blue Hole be made a public reserve. The
Association also has in mind to establish
a walking path from the Blue Hole to
the Bluff. This path would follow the
very pretty scenery of Glenbrook creek.

The Bluff itself is a wonderful piece
of straight cliff over 600 feet high.
Although what people would do at
the end of the path, I don't know turn
round and go back I suppose.

The following noticed appeared in the
Nepean Times on the 3-10-14.

The 2ND A.G.M. of the Glenbrook
Swimming Club will be held at Jacks
Hotel Pennith on Tuesday the 6th at 8 PM.
all members of the Club are asked to
attend.

Apparently the Club was disbanded
sometime in 1914 but I can't find
out any other information about it.
