No 44

Surveyor General's Office,
February 16th 1828.

Sir,

B. Percy

Relating to
Mr. Barnett
Severy's application

With reference to your letter of
the 31st ultimo, transmitting a copy of an
application from Mr. Barnett Severy, for addition
of land, adjoining a certain piece which he
possesses on the South Head Road, and directing
the Surveyor General to report thereon, for
the information of His Excellency the Governor.

I have the honor, in his absence, to state
that there is no unappropriated Crown land in
that situation, which has not been reserved for
public purposes.

I beg to add, that I am not aware of
any land in that neighbourhood possessed by
Mr. Severy, unless he had purchased the 60 acres
on the South East side of the South Head road,
and that the grant of this land has not yet got
the Seal.

For the purpose of more clearly
describing

The Honorable Alex. McLeay
Colonial Secretary.
K. S. M.

Received of the Surveyor General
the sum of £100-0-0
on the 16th Feb 1828
for the purchase of 60 acres
of land on the South East side
of the South Head road
