that Mr. Levi, has not
yet? authority to take pos-
session of the ground on
which he is building on
the South Head Road?

If his Town corporation
bill has been measured and
all other formalities com-
pleted with, I can do no
more than to direct him to the

I shall not at present
maintain the position except
the Allocations in regard
to that, on which he has
built without authority.
Yours &c.
