

## ROMANCE OF A PHOTOGRAPH. — Bride From Chile.

Several years ago Mr. Donald Skarratt, of Narromine, visited the home of Mrs. C. H. Gurner at Picton. During that visit he saw a photograph of a school girl, was impressed by her beauty, and remarked that he must meet her when she grew up.

The girl was Miss Mollie Crowther, Mrs. Gurner's niece, and was then living in Valparaiso, Chile. A year ago she came to Sydney, her photograph appeared in the Sydney Press on her arrival, and was recognised by Mr. Skarratt. He was introduced to her shortly afterwards, and to-night they will be married at St. Mark's Church, Darling Point.

The bride, who was born in Peru, comes of an old Australian pioneering family. Her greatgrandfather, Dr. J. M. Walker, was the first doctor in the Camden district. She is the younger daughter of Mr. and Mrs. F. Russell Crowther, who are at present living with Mrs. Crowther's sister, Mrs. H. A. Walker, of Woodburn Park, Lakeside.

Mr. Skarratt is the elder son of Mr. and Mrs. D. S. Skarratt, of Mountaide, Glenbrook.

### ANTIQUE BRACELET.

With her cream satin classical gown, the bride will wear an antique bracelet which belonged to her grandmother, Lady Cassells, of Melbourne, and her tulle veil was worn by her aunt, Mrs. Gurner. She will carry a sheaf of azalias and orchids, and will wear a coronet of orange blossom.

Bishop E. N. Wilton, assisted by Canon R. W. A. Barber, will perform the ceremony. Miss Crowther will be attended by Miss Pat Bennett and a flower girl, Sally Gurner.

Mr. Brian Broadbent, of Orange, will be best man, and the reception will be held at Elizabeth Bay House.

The bride and bridegroom will make their home at Narromine.
